3.4. VICE-PRESIDENT

The vice-president, or if there are more than one, the vice-presidents in order of seniority (as determined by the Board) shall be vested with all the powers and shall perform all the duties of the president in the absence or disability or refusal to act of the president, except that he shall not preside at meetings of the directors or membership unless he is qualified to attend meetings of directors or the membership, as the case may be. If a vice-president exercises any such duty or power, the absence or inability of the president shall be presumed with reference

thereto. A vice-president shall also perform such duties and exercise such powers as the president may from time to time delegate to him or the Board may prescribe.

3.5. GENERAL MANAGER

The general manager, if one is appointed, shall have the general management and direction, subject to the authority of the Board and the supervision of the president, of the Association's business and affairs, and the power to appoint and remove any and all officers, employees, and agents of the Association not elected or appointed directly by the Board, and to settle the terms of their employment and remuneration, but shall not have the power to do any of the things set forth in sub-section 127(3) of the Act. 4. MEMBERSHIP

4.1.

- (a) A member must be an owner of real property in good standing in the serviced area;
- (b) Where the property includes a dwelling, members shall be deemed to include, for the purpose of determining which individuals have the right to use the Association facilities, members of the immediate family residing in the dwelling with the owner;
- (c) Where a “resident” is not a member of the immediate family, special application must be made to the Board to give the resident user privileges
- (d) Where the property is leased, an application must be made to the Board to give the tenants user privileges;
- (e) Where the dwelling has sub tenants or apartments, an application must be made for user privileges. The Board may also levy an additional monthly assessment to the second unit.

4.2. SERVICE AREA

The service area shall be defined as those lands shown in schedule “A” attached hereto.

4.3. EXPANSION OF SERVICED AREA

By a majority vote of the membership at a special meeting called for the purpose and a majority vote of the Board, the Board of Directors shall have the right to expand the service area to bring in additional lands. In considering the expansion, the Board shall consider the best interests of the Corporation, the ability of members to use the facilities of the Corporation, and the new amenities or resources that are to be offered by the members in an expanded area. Owners of lands in an expanded area shall bear a proportion of the maintenance costs as determined by the Board and shall provide security to the Corporation for enforcement of the payment of these costs.

4.4. MEMBERSHIP

All lands in the serviced area shall have the right to join the association, use the amenities, and pay the assessments, provided that the lands are owned by the developer, its successors, or assignee at the time of registration, and covenants similar to those in the original phase are registered on title to the affected lots or units in the new development. If the developer of any new parcel in the serviced area does not declare the lands to become part of the Owners Association at the time of registration of the M-Plan, the owners of lots in the new development will not be required to pay the fees and will not have the right to use the amenities. If, at a date more than six (6) months following registration, the landowners wish to join the association, the provision of paragraph 4.3 will apply.

4.5. SUSPENSION

Any member or members may be suspended by a resolution of the Board for any of the following:

- (a) Failure to pay annual dues;
- (b) Breach of a restrictive title covenant on the members property or elsewhere in the serviced area;
- (c) Breach of the rules, by-laws, or regulations of the Association;
- (d) Gross misconduct.

The Board, in imposing the suspension, may elect to impose a general suspension revoking all membership privileges, or may limit restrict, or qualify the suspension in its sole discretion.

4.6. APPEAL

Any member suspended may appeal the suspension in accordance with the arbitration procedure set out in paragraph 1.8. In the event that the member is unsuccessful in the appeal, the arbitrator or panel may elect to require the member to pay the Corporation's legal and arbitration costs.

4.7. MEETINGS

An annual meeting of the membership shall be held in accordance with paragraph 1.5.

4.8. SPECIAL MEETINGS

The Board may, at any time, call a special meeting of the membership for the transaction of any business which may be properly brought before such meeting. An annual meeting may be deemed a special meeting.

4.9. PLACE OF MEETINGS

Meetings of the membership shall be held at the registered office of the Corporation or at such other place within or outside of Ontario as the Board from time to time determines.

4.10. NOTICE OF MEETINGS

Notice of the time and place of each meeting of the membership shall be sent not less than ten (10) days, and not more than ninety (90) days, before the date of the meeting to the auditor of the Corporation if applicable, to each director, and to each person whose name appears on the records of the Corporation at the close of business on the day preceding the giving of the notice as a member entitled to vote at the meeting. Notice of a special meeting shall state:

- (a) The nature of the business to be transacted at the meeting in sufficient detail to permit the member to form a reasoned judgement thereon; and
- (b) The text of any special resolution or by-law to be submitted to the meeting.

4.11. PERSONS ENTITLED TO BE PRESENT

The only persons entitled to attend a meeting of the membership shall be those entitled to vote thereat, the directors, the auditor of the Corporation, and others who although not entitled to vote, are entitled or required under any provision of the Act or by-laws of the Corporation to be present at the meeting. Any other persons may be admitted only on the invitation of the chairman of the meeting or with the consent of the Board.

4.12. QUORUM

The holders of a majority of the votes entitled to vote at a meeting of the membership present in person or by proxy constitute a quorum for the transaction of business at any meeting of members.

4.13. VOTES

Each single family home or building lot in the serviced area shall be entitled to one vote. Membership privileges shall extend to all owners, tenants, or family

members of the owner or tenants residing therein. Only one representative of the home shall be entitled to vote. The Board may, in its discretion, limit the right to speak at any membership meeting to one family representative who shall speak on behalf of the home. In the event of any disagreement between joint owners, the vote shall be exercised by the person who is: (a) listed first by name on the registered title to the lands; and (b) present at the meeting.

4.14.

Membership in the Association and use of the facilities is designed primarily for individual or family use. The Board may elect to suspend or deny membership privileges to a group of multiple owners or users who do not constitute a family and whose number of users results in an unfair and disproportionate demand for the use of Association facilities.

4.15. ONE VOTE PER LOT

One vote shall be given per lot to Lots 1 – 60 on Plan 4M-1398 and Lots 1 – 13 on Plan 4M-1433, and all other registered plans of subdivision or condominium units lawfully created and registered within the service area. A lot or unit shall be deemed to be created as of the date of the registration of the same at the Land Titles Office of Ottawa No. 4. At any meeting of the membership which may affect the future charges paid by the members of the Association, or which may affect the as yet undeveloped lands in the serviced area, or any proposed amendment to the by-laws or articles of the Association, the registered owners of undeveloped lands within the serviced area shall be permitted to address their interests and shall be granted the right to vote on the basis of one vote per 0.2 hectares of land, provided the owner is the developer, its successor, or its assignee.

4.16.

The Association shall have the power to make rules and regulations governing the use of its facilities by members and guests.

4.17.

The Association acknowledges that a substantial investment of capital has been made by members on the basis of a concept plan for the community. As such, the owners of lands within the serviced area shall be entitled to be reasonably certain, at the time of their purchase and thereafter, that facilities, amenities, and activities which are important to them and formed part of their decision to make such an investment will continue to be permitted uses on the lands and premises under the jurisdiction of the Association. The following shall be deemed to be protected uses, and notwithstanding that only a minority of the membership may enjoy any given use at any time, the Association shall not discontinue such use except with a

vote of two thirds of the members of the Board of Directors and ninety percent (90%) of the votes of the members of the Association entitled to vote:

- (a) Volleyball;
- (b) Use of trails for walking, jogging, and cross-country skiing;
- (c) Use of the lake for recreational purposes in the designated zones, as delivered by the developer to the Association at the completion of the recreation areas;
- (d) Children's play areas;
- (e) Maintaining a rule which provides exclusive use of the Water's Edge Owners Association waterfront property abutting a waterfront lot, to the abutting waterfront landowners and excludes persons from entering these lands as though the landowner owned to the water's edge.

Furthermore, the provisions of this by-law may not be amended except in accordance with the ninety percent (90%) voting provisions specified above.

4.18. GUESTS

Members of the Association may bring guests to use the facilities upon the following conditions:

- (a) The member assumes full responsibility for the conduct of the guests;
- (b) The guest is at all times accompanied by the member while using the facilities;
- (c) Any gathering, whether formal or informal, involving more than four (4) guests receives the prior consent of the Board or its appointee. The Board shall have the right to appoint one or more facility supervisors with power to make decisions regarding the use of facilities by guests;
- (d) Where user fees are applied for any facility, the member shall be responsible for the payment of all guest user fees.

4.19. ABUSE

The Board shall have the right to make special rulings to prevent the abuse of facilities in a manner unforeseen at the time of preparation of this by-law in the best interests of the Association and the long term care, maintenance, and use of its facilities.

4.20. USE OF FACILITIES BY GENERAL PUBLIC

Use of facilities for a limited time by members of the general public may be considered by the Board provided the same is in the best long-term interests of the Association. No such use or invitation to the general public to enter upon and use Association facilities shall be made by any member without the express written consent of the Board. Such use is considered important to good public relations with the local community provided these uses do not unreasonably interfere with the overall use and enjoyment of the facilities by Association members. In

providing such consent, the Board may impose such conditions and make such charges as are deemed appropriate in the best interest of the Association.

4.21. AUTONOMOUS CLUBS

The Association may enter into agreements with autonomous clubs for the administration, use, and maintenance of its facilities. Such agreements may include and address such matters as user fees, payments to the Association, allotment of time, and exclusive use of facilities. Notwithstanding, all such agreements must not conflict with the by-laws, rules, and regulations of the Association.

4.22. PROXIES

Every member entitled to vote at a meeting of the membership may by means of a proxy appoint a proxy holder or one or more alternate proxy holders who are not required to be members, to attend and act at the meeting in the manner and to the extent authorized by the member and with the authority conferred by the member. A proxy shall be in writing and executed by the member or by his attorney authorized in writing. Subject to the requirements of the Act, the instrument may be in such form as the directors from time to time prescribe, or in such other form as the chairman of the meeting may accept as sufficient. It shall be deposited with the Association before any vote is taken under its authority or at such earlier time and in such manner as the Board by resolution prescribes.

4.23. SCRUTINEERS

At each meeting of the membership, one or more scrutineers may be appointed by a resolution of the meeting or by the chairman with the consent of the meeting to serve at the meeting. Such scrutineers need not be members of the Association.

4.24. VOTES TO GOVERN

Unless otherwise required by the Act, the articles, or the by-laws of the Association, all questions proposed for the consideration of the membership at a meeting shall be decided by a majority of the votes cast thereon.

4.25. SHOW OF HANDS

At all meetings of the membership, every question shall be decided by a show of hands unless a ballot thereon be required by the chairman or demanded by a member or proxy holder present and entitled to vote. Upon a show of hands, every person present and entitled to vote has one vote regardless of the number of votes he represents. After a show of hands has been taken upon any question, the chairman may require, or any member or proxy holder present and entitled to

vote may demand, a ballot thereon. Whenever a vote by show of hands has been taken upon a question, unless a ballot thereon be so required or demanded, a declaration by the chairman that the vote upon the question has been carried, or carried by a particular majority, or not carried, entered into the minutes, shall be considered prima facie evidence of the fact without proof of the number or proportion of the votes recorded in favour or against the question. The result of the vote so taken and declared shall be the decision of the Association on the question. A demand for a ballot may be withdrawn at any time prior to the taking of the ballot.

4.26. BALLOTS

If a ballot is required by the chairman of the meeting or is demanded and the demand is not withdrawn, a ballot upon the question shall be taken in such manner as the chairman of the meeting directs.

4.27. ADJOURNMENT

The chairman of the meeting of the membership may, with the consent of the meeting and subject to such conditions as the meeting may decide, adjourn the meeting from time to time and from place to place.

4.28. ENTITLEMENT

Any questions regarding the entitlement of a member to vote shall be made by the secretary upon reference to the registered owner as shown on the abstract at the Land Titles Office.

4.29. NOTICE

Notice shall be given in the name of the registered owner or, where more than one owner appears on title, to the first name appearing on title at the municipal address if the property or such other addresses for service given by the member to the secretary.

4.30. REPORTS

A copy of the financial statement and a copy of the auditor's and/or accountant's report shall be furnished to every owner and mortgagee entered on the register who has requested the same.

5. DUES, LEVIES, ASSESSMENTS

5.1. COMMON EXPENSES

Without limiting the definitions ascribed thereto by the Act, common expenses means the expenses incurred in the performance of the objects and duties of the

Association, and without limiting the generality of the foregoing, shall include the following:

5.4. ENFORCEMENT

- (a) Arrears of payments required to be made under the provisions of this by-law shall bear interest at a rate equal to two percent (2%) above the interest rate charged from time to time by the Bank of Canada to chartered banks.
- (b) In addition to any remedies or liens provided by the Act, if any owner/member is in default in payment of an assessment levied against him, for a period of fifteen (15) days, the Board may bring legal action for and on behalf of the Association to enforce collection thereof, and there shall be

added to any amount found due all cost of such action, including costs as between a solicitor and his own client.
