

Sunset Lakes Developments

Issue 11

Summer - Fall 2015 Newsletter

Why should you choose to live in a Sunset Lakes Developments Community?

1. For the endless year-round recreation with waterfront parks, swimming and tennis facilities, and treelined trails throughout the neighborhoods.
2. For an Owner's Association that owns, manages and maintains the common areas, and organizes community events for a fun and beautiful community.
3. For the best of both worlds— home and cottage living, the charm of a rural village, and the convenient location, only 20 km from downtown Ottawa.

That's a wrap for **Community 'Learn to Ski' Nights** this summer! Thank you to all the participants who brought their eager, positive and enthusiastic attitudes. It was great to see the talent and fun from everyone!
